NORTHERN DISTRICT OF ILLINOIS
EASTERN DIVISION

MOTION TO SUBSTITUTE

I Michael Widmer, plaintiff pro se, hereby move the court to recuse itself from both of the cases cited below in which I am the plaintiff. I assert the court has made very unfair rulings in a recent case that resulted in my moving to dismiss the case because the judge and I could not communicate. I have more than a dozen cases pending in federal courts in front of 4 associate and 3 magistrate judges in which I've never had a communication barrier. I am being judicially obstructed from my right to redress. Wherefore I simply would ask the cases be reassigned. Injunctive Relief was requested and ignored by the court as well. The court has prejudiced me severely! Show dislike! Respectfully Submitted,
Michael Widmer
